

FAMILY HANDBOOK

2019 – 2020

108 Sound Beach Avenue Old Greenwich, CT 06870

203-637-5430

www.firstchurchpreschool.org

WELCOME

Thank you for choosing First Church Preschool, where we focus on “*Learning Through Caring ~ For Ourselves, Each Other & Our Earth.*” We also believe that “*Caring Communities are Intentionally Built.*” We welcome you to our caring community.

This Family Handbook is designed to inform families about how our program operates. Being familiar with these general policies and procedures will help make your experience with us more enjoyable, successful, and efficient. Many of our regulations have been established because they are required in order to maintain Connecticut State licensing. They also serve to provide families with a high quality early childhood education program. You acknowledge your understanding of our policies when you submit a signed Statement of Receipt of First Church Family Handbook Form, which is provided along with this handbook. If you have any questions or concerns regarding any of the information contained in this Family Handbook, please contact us

Our staff is committed to meeting the developmental needs of your child. The educational backgrounds of our teachers and our wealth of experience make us well equipped to teach young children. Staff members attend workshops, seminars, and educational conferences throughout the year and maintain rigorous standards in order to ensure the highest quality programming for your child. Our teachers are happy to help you with your early childhood concerns.

We look forward to getting to know you and your child better as the year progresses. Your child will leave First Church feeling confident and with a wonderful foundation for further education.

Sincerely,

The First Church Preschool Staff

MISSION STATEMENT

We believe that children learn best through supportive environments and caring relationships, and that caring communities are intentionally built. We provide playful opportunities that focus on helping children learn to care for themselves, others, and the natural world.

FIRST CHURCH PRESCHOOL GUIDING BODIES

The Preschool Board
The Parent Committee
The State of Connecticut Office of Early Childhood and Greenwich Public Health
National Association for the Education of Young Children (NAEYC)

The Preschool Board directs the First Church Preschool. The Board sets policies and makes decisions regarding the operation of the program. The Preschool Director works on behalf of the Board to implement the school's policies and procedures and to manage the day-to-day operations of the program.

A Parent Committee composed of parents of children currently enrolled in the program supports the efforts of the preschool through fundraising activities, social events, helping maintain the Nature Classroom, and promoting the school through publicity.

First Church Preschool is licensed to operate by the State of Connecticut Office of Early Childhood and subject to the rules and regulations they put forth, as well as the regulations put for by the Greenwich Department of Public Health.

The National Association for the Education of Young Children (NAEYC) is a professional membership organization that works to promote high-quality early learning for all young children, birth through age 8, by connecting early childhood practice, policy, and research. We are engaged in their national accreditation process to be recognized as a program utilizing best practices in our work with young children.

OUR PROGRAMS

Preschool Program

First Church Preschool follows the Connecticut Early Learning and Development Standards and the Connecticut Documentation and Observation for Teaching System for developing and implementing an educational program for children 3 to 5 years of age. We do not adhere to any one specific published curriculum, but rather implement an evolving mix of teaching strategies, experiences, and activities that are empirically shown to embrace best practices and standards currently accepted within the early childhood education field and as endorsed through NAEYC. We implement a play-based approach, believing wholeheartedly in the necessity for play in fostering children's early learning and developmental success.

There are two components within our preschool program: "3s" classes for children who have or will be turning 3 years of age by December 31st of the calendar year in which they are enrolling, and "4s" classes for children who have or will be turning 4 years of age by December 31st of the calendar year in which they are enrolling. All children entering our preschool programs must be toilet trained, meaning that they have experience with and are amenable to using a toilet, and they must not wear diapers or "Pull-Up" type diapers to school. Our classes for 3s are held either 3 days per week – Mon/Wed/Fri – or 5 days. Our 4s classes are 5 days per week. We offer ½-day AM classes which run for 3 hours, or Extended Day classes, which run from 9AM to 1:55 PM for both our 3s and 4s.

Program for 2 Year-Olds

We also have a program for children who will be turning 2 years of age by December 31st of the calendar year in which they are enrolling. Our "2s" program is designed to be a fun, safe, stimulating time for toddlers during which physical, language, cognitive, and social development are nurtured and encouraged. Children in the 2s program do not need to be toilet trained, but families must supply diapers and wipes for their children to use at school if needed.

Pre-K Program (sometimes referred to as a "Bridging" or "Connecting Program")

The Pre-K Program is specifically tailored for children who have completed a 4 year-old preschool program and who are eligible to start kindergarten, but who, after careful consideration from parents, teachers, and/or other early childhood professionals, are deemed likely to benefit from delaying starting their kindergarten experience. The Pre-K Program offers a curriculum that has been designed to be challenging, developmentally appropriate, and taught in an atmosphere that is both stimulating and nurturing. The curriculum focuses on language arts, mathematics, science, physical education and social studies activities. In language arts, the beginnings of writing will be encouraged. The children will become familiar with comparisons, spatial relationships, letter-name recognition and sound discrimination. Daily program activities and opportunities will foster the development of hand/eye coordination, left/right progressions and organizational skills. In science, children will participate in hands-on activities that pique their natural curiosity. Children will use their senses to observe their physical environment, predict outcomes, and know the excitement of discovery. In social and emotional development, children will continue to gain confidence, learn independence, and accept responsibilities. The program also provides daily outside experiences and weekly music and movement programs.

All of our programs provide a balance of teacher-directed and developmentally appropriate children's choice activities, and group and individual activities. A wide variety of classroom

materials engage children in exploration and discovery. The program includes opportunities for musical expression, artistic creativity, imaginative play, and for supporting children's social, emotional, physical, and thinking skills. In addition to their regular classroom opportunities, children have the chance to participate in various music, physical education, yoga, and science enrichment experiences led by trained professionals.

The typical daily schedule for our preschool programs incorporates the following components (not necessarily in this order):

- Arrival time: each child is greeted, welcomed, and assisted with transitioning to class
- Child-directed center time: play, discovery with various materials, social interaction,
- Teacher-led group time: story time, class meetings, group games and discussions
- Snack time: a variety of fruit, vegetable, cheese, and cracker choices and filtered water provided by the school; we are a peanut/tree nut free school
- Clean up time: a class-wide undertaking
- Nature Classroom time: unless the weather conditions are dangerous, each class will utilize our Nature Classroom for up to 1 hour each day, or take a walk around our campus or the nearby park;
- Indoor recess: we will utilize our indoor gym space for large motor exercise, games, and play
- Dismissal time: each child is encouraged to gather their belongings and sent off with an authorized adult

Operating Schedule

First Church Preschool is open five days per week, Monday through Friday, with office hours beginning from 8:00 AM through 6:00 PM from September through June. Our 2s, 3s, and 4s preschool program half-day morning classes run 9:00 AM to 12 PM. Our Extended Day 3s, 4s, and our Pre-K classes run 9:00 AM through 1:55 PM. We are closed on national holidays, as well as for extended periods in late December, February, and for a spring break in March or April. All families will receive a school-year calendar that indicates what days we plan to be closed, including school-wide special event dates that will impact the typical operating schedule. This school year calendar can be accessed through our website: www.firstchurchpreschool.com.

We do not make up for up to four days that the school is closed due to hazardous weather and other emergency related situations. If we have more than four unscheduled emergency closings, we will make up one day for each day we close beyond the fourth day.

Our Summer Program, which usually begins mid-June and goes for six or so consecutive weeks through the month of July, runs 9:00 AM to 12:00 PM for the 3s classes and 9:00 AM to 1:00 PM for all the 4s & 5s classes.

No programming is conducted in August. Thorough cleaning, maintenance, and repairs usually take place at this time. Our office is still open, but on a limited basis. If you need to contact us during this time, please understand that there could be a short delay in response, but we will make every effort to get back to you as soon as possible if you leave a message.

SPECIAL ADD-ON PROGRAMS

Lunch Program

Children who participate in our Lunch Program bring a nutritious lunch from home to eat at school. They enjoy additional playtime, lunch with friends, music, and stories. The Lunch Program, offered at an additional fee, runs for separate consecutive sessions on Mondays through Fridays from 12 PM – 1 PM. An enrollment period precedes each of the sessions of the

Lunch Program, during which applications are accepted on a first come, first served basis. All those participating in our Lunch Program must bring lunches that are tree nut and peanut free. Children in our 2s program may participate in the Lunch Program during the second session, which generally begins around early November.

Afters Program

Our Afters Program is an extension of the Lunch Program, where children stay until 1:55 PM. Children who participate in our Afters Program first enjoy a lunch brought from home, and then engage in some extra outdoor or indoor large motor activities. As with our Lunch Program, the Afters Program is offered for an additional fee during separate consecutive sessions, running from 12 – 1:55 PM. Families can sign children up for the Afters Program during the enrollment period just prior to each session, and applications are accepted on a first come, first served basis. Our Afters Program enrollees must bring lunches that are tree nut and peanut free.

Before Care Program

We operate a Before Care Program where we will arrange to have a staff member onsite between 7:30 AM and 9:00 AM to supervise and care for children during those times when families must drop their child off before class begins. You can register for the Before Care Program on a regular basis for those instances where a consistent obligation necessitates having to drop your child off early, or you can also arrange for your child to be dropped off on a per diem basis. When you anticipate needing Before Care on a per diem basis, then we request you let us know as soon as possible, and no later than 3:00 PM on the day before needing the Before Care, so we can ensure proper staffing. Registration forms for those needing the Before Care Program on a regular basis will be available the first week of school and Before Care will begin the second full week of school. Per diem request forms for the Before Care Program are available from the school office.

PM “Play More” Program – 2:30 PM – 4:30 PM

We are now offering an afternoon enrichment program called PM “Play More”. Children enrolled in our PM Play More program will enjoy structured enrichment experiences that include indoor and outdoor activities and a snack, all in the context of a playful environment. Our PM Play More Hours will be formatted into 8- or 9-week consecutive sessions through the school year, and families will have flexibility in scheduling which days they would like their child to participate. Further, families will also have the option to drop in on days when they haven’t already registered, if space allows.

Summer Program

The Summer Program is a 6- or 7-week program starting in mid-June through July, where children have a blast engaging in warm weather and outdoor activities. Children may be enrolled for either one-week periods or the entire number of weeks. Much time is spent in the great outdoors in water play, games, and exploration. The program is designed for children ages 3 to 5 years. Those who are 3 years old attend M - F from 9 – 12 PM; all others attend M – F from 9 – 1 PM. Registration for our Summer Program generally begins in mid to late January.

Tuition for all of our special programming will be announced during their respective enrollment periods.

Non-Discrimination

The First Church Preschool does not discriminate against anyone for any reason. We encourage and support cultural diversity as part of our program. We make every effort possible to meet each child's individual needs.

PAYMENT POLICIES

Payment Schedule

A \$500 deposit fee for all 2- and 3-day programs or a \$1000 deposit fee for all 5-day programs, and a \$35 application fee, all non-refundable, are due at the time of enrollment for all preschool and Pre-K programs in order for a child to be considered officially enrolled and for a spot to be saved for that child. If registering more than one child per family, a deposit and application fee must be paid per each child being enrolled. If a family wishes to enroll a child at a point in time after the initial tuition installment payments become due, then an alternate payment schedule may be established with that family.

Deposit and payment schedules for special programming, such as the Lunch, Afters, PM Play More, and Summer Programs, will be announced at the time registration opens for each respective program.

Installment payments are due on February 1, April 1, June 1, and September 1, unless an alternate payment plan has been approved by and established with the director.

Tuition Fees

First Church Preschool uses a Tuition Fee Lock-In system. With Tuition Fee Lock-In, whatever the tuition rates are for our programming for the school year in which a child is initially enrolled, those same rates will apply for as long as he or she remains enrolled in our preschool. For example, if a child is enrolled with us for the first time in a 2s program this school year, his or her family will pay whatever this year's tuition fees are for our 3s programming for that child for the next school year. This will apply to all the subsequent years in which that same child is enrolled in our programming.

The tuition rates specific to each school year are available on our website at <https://firstchurchpreschool.org/tuition-fee-lock-in/>

Enrollment

First Church Preschool begins an Open Enrollment period during the month of October for the next school year's enrollment. Families wishing to enroll their child during that time must submit a completed application and the appropriate deposit and application fees. Our Open Enrollment will begin on October 1st and will be conducted on a first-come, first-served basis. Once the total amount of spaces available for a given program are accounted for, a family may request to have their name added to a waiting list in the event that a spot they desire for their child does become available. If a spot opens up in a program in which a wait-listed family wishes to enroll their child, the family must then submit the requisite deposit (and application fee, if not already paid) in order to secure the spot for their child. Children who are currently enrolled at First Church Preschool receive priority placement for the following school year.

Refunds

No part of the deposit payment will be refunded because of absence, failure to continue, or withdrawal of a child from First Church Preschool. Further, unless a family provides written notice to the director that they plan to revoke their child's enrollment prior to the date that the first tuition installment payment is due (on or before January 31st), families are unconditionally obligated to pay the tuition and fees for the full school year. No portion of such tuition and fees will be refunded or cancelled notwithstanding their child's absence, withdrawal, or dismissal from First Church Preschool for whatever reason, unless we can fill the spot that is being left vacant before the school year in which the child is enrolled begins. In that case, we will refund the amount paid toward the child's enrollment, minus the deposit, which is non-refundable. Further, if we fill the spot after the school year begins, we will refund only the amount that remains after being applied toward the number of days of the school year that have passed until the spot was filled.

Withdrawing A Child

Families must notify the director in writing if they will withdraw a child from enrollment at the preschool for any reason. If possible, the written notification of withdrawal should be submitted as soon as possible, and no later than two weeks before the anticipated date of withdrawal.

Discounts

First Church Preschool offers a tuition discount for families enrolling more than one child concurrently in our programming. Families will pay full tuition for the child enrolled in the program with the highest tuition, and receive a 10% discount for each child thereafter enrolled in a program of equal or lesser value.

Children or grandchildren of current, active members of the First Congregational Church, our sponsor, will receive a 10% discount off the total tuition incurred. First Church Preschool must first receive written verification from the First Congregational Church that an enrolled child is indeed a child or grandchild of a current, active member before the discount will be applied. The parent or grandparent must be a current, active member at the time the child is enrolled in order to receive the discount. Families who qualify for the church member discount and who also have enrolled more than one child concurrently will receive a 10% discount off each enrolled child's tuition.

Children of currently employed preschool and church staff members receive a 25% tuition discount, and their grandchildren receive a 10% tuition discount. Preschool and church staff must be employed at the time their child is enrolled in order to receive the discount.

A discount of 5% may be applied if a family who has enrolled during our Open Enrollment period submits their entire tuition obligation for the school year on or before the due date of their first tuition installment. Families should request the discount at the time they submit the payment in full. Paid-in-full discounts cannot be applied when paid by credit card, only when paid by check.

Late Payments

Families who find themselves unable to keep current with their payment schedule are encouraged to speak with the director and/or administrative assistant as soon as possible so that a financial agreement can be worked out. Invoices will be sent out in advance of when tuition installment payments are due. There will be a 10 business-day grace period from the date the tuition installment payment is due. On the 11th business day after a tuition installment payment is due, if the payment has not been received, a late fee of 1.5% of the total payment due amount will be compounded on a daily basis for up to a maximum of another 10 business

days. If payment still has not been received at that point, the child will be withdrawn from the program and vacancy will be offered out to be filled.

Payments

First Church Preschool accepts payment by credit card or checks. Tuition checks should be made payable to “**First Church Preschool**”. They may be mailed to ***First Church Preschool at 108 Sound Beach Avenue, Old Greenwich, CT 06870***. Checks may also be hand delivered to the preschool office.

Scholarships

Scholarships are available based on financial need. Please contact the preschool director for more information on how to apply. All applications for scholarships are subject to review by the Preschool Board.

Adjustment to School

Our staff strives to make each family’s adjustment to our preschool a pleasant one. At the beginning of each school year, we offer a Visiting Day during which children and parents together visit their new classrooms for about one hour in order to meet teachers and classmates and get acclimated to the environment. In addition, we have a Welcome Coffee/Orientation the day after our Visiting Day, so parents of students can meet and share important information about our school and its policies with the director and representatives from the Parent Committee. We endeavor to get you the information you will need to transition smoothly into our school community.

We understand that children react to new environments differently. We will make every effort to help your child thrive at preschool. Experience has shown that if families of children convey a positive attitude toward their child going to school and leave promptly at drop off time (without revealing signs of anxiety themselves), then children adjust more quickly and happily to being at school. A smile, kiss, and a quick goodbye work best. If you are concerned about whether your child is experiencing separation anxiety, please know that you are welcome to call the office and we will be happy to give you a progress report.

Toileting

One focus of our curriculum for the 3s is to support the children’s increasing independence in completing basic self-care routines, such as dressing, washing, and toileting. We do understand that children can and do have toileting accidents sometimes, no matter their age or level of competency with using the toilet. We do not shame a child for having an accident, nor would we penalize them somehow. We offer verbal assistance through instruction, reminders, and support to encourage the children to complete as much as they can on their own first, however, we will also provide hands-on assistance if needed. If a child is having chronic instances of toileting accidents, is resistant to using the toilet at school or receiving hands-on assistance from a staff member, or is otherwise struggling with the safe and hygienic use of the toilet while at school, we may need to contact parents or someone designated by the parent to come to the school to assist.

Children are not allowed to wear diapers or “Pull-Up” type diapers at school. We feel that the Pull-Ups are so absorbent that they can hinder a child’s awareness of their own body signals that they need to use the toilet and in realizing that they have wet themselves. We ask that you please provide a clean change of clothing just in case a child has an accident.

Communication

A monthly newsletter, called *The Prism*, will originate from the director and is designed to keep you informed of events taking place on a school wide basis. Additionally, monthly newsletters from your child's classroom teachers outlining what activities and themes will occur in the classroom will be distributed. Generally, both newsletters will be sent to you via email, unless you request otherwise. In addition, there may be special notices placed in what we call the children's "Friday Folder". These folders are sent home with your child each Friday (or the last day of the week that your child is scheduled to attend school). Please check your child's folder regularly for any special notices and important information. You will also find a monthly calendar on our school's website which highlights pertinent information. This website calendar is updated on a regular basis so that you can refer to it for the latest information.

If there is a need to pass specific information to your child's teacher, we suggest writing a note, sending an email, or scheduling a call during a mutually convenient time so all are informed. We respectfully ask that communication at arrival be limited so our teachers can welcome and successfully transition all our children.

An Open House Night is held one evening in September for all families. During the Open House Night, teachers give an overview of their plans and goals for the school year, and families have the opportunity to visit their child's classroom and speak informally with the teachers.

Family conferences will be scheduled twice each year, in the fall and in the spring. Please refer to our current school calendar for the specific dates set aside for these conferences. These meetings are a great opportunity to discuss with the teachers about your child's acclimation and progress within the program. Should you wish to speak with your child's teacher at other points in the school year, appointments can be arranged.

Arrival

The First Church Preschool opens at 8:55 AM for our morning classes, and your child is most welcome at that time. Since preparation time before 8:55 AM is essential for the teachers, we ask that you please do not arrive early. It is imperative that all children are signed in and out of their class each day by a parent or designated authorized adult. A sign in/out sheet is posted by each classroom door. If your child is dropped off to school via our curbside drop-off (described below), then he/she will need to be signed both in and out at pick up time.

Please note that it is against the law to leave a young child alone in a car even if the engine is off. The Greenwich Police Department strictly enforces this law. Children must also be securely strapped in car seats and seat belts when inside vehicles with the engine running. Since no child may remain in a car alone, all children should be escorted by an adult into the main hallway of the preschool and directly to their classrooms, unless using our drop-off option, which is described below. The hallway may get crowded at arrival times, so please carefully supervise all children in your care.

Curbside Vehicle Drop-Off

Shortly after the start of school, curbside drop-off is offered daily from 8:55 AM until 9:15 AM. With our drop-off option, staff members assist children in exiting your vehicle at the curb and escort them to their classrooms, or to the Nature Classroom. In order for our drop-off option to run efficiently and safely, it is extremely important that you follow these procedures:

Drop-Off Procedures:

- There will be no drop-off under the following conditions:
 1. Wind chill temperature under 15 degrees
 2. Torrential or wind-driven rain
 3. Icy/ snowy conditions on the sidewalk and driveway
 4. Staffing issues
 5. Discretion of the director/administration

A sign will be up at the top of the driveway to indicate if there is no drop-off for particular day for any reason.

- We encourage children to exit the vehicle on the *passenger side*, the side closest to the sidewalk, if possible.
- We encourage drivers to stay inside the vehicle. The vehicle must be at a complete stop and placed in “park” while the children are exiting the vehicle.
- If a situation arises where the driver needs to assist a child in exiting the vehicle, the driver will be asked to leave the drop-off lane and proceed to find a parking spot in the school parking lot and escort their child into the school.
- Children must have their coats, hats, etc. on and zippered when exiting the vehicle.
- The parking spaces in the lane between the church building and the cemetery that leads to Sound Beach Avenue are reserved for staff. Please do not park in these spaces. Further, this lane is a one-way thoroughfare.

Dismissal

All children should be picked up at their classroom door at their regularly scheduled program dismissal time, unless you are notified otherwise by our staff or your class is scheduled to be picked up from the Nature Classroom. It is helpful to remember that your child anticipates your timely arrival and becomes upset or concerned when you are not present at the same time as others coming to pick up children. If you are going to be late picking up your child, please call the office and alert us so we can explain your delay to your child. Children who are being picked up late can be retrieved at the preschool or director’s office. If you are chronically late with picking up your child, we encourage you to discuss those factors attributing to your situation with us so that we might come to a mutually agreeable solution.

We encourage the use of carpools, but advise that they be established only after your child has made a comfortable adjustment to the preschool. If you choose to use a carpool for your child, you must list the carpool drivers on your authorization form. In addition, please be certain to provide your child’s teachers with a written carpool schedule.

If anyone other than those listed on your authorization form will be picking up your child, please call, email the office, or send a written note to school explaining so. Children will not be released to anyone not listed on the authorization form without our first obtaining your consent. When providing authorization, please provide the person’s full name and tell them photo identification is necessary for showing to staff when picking up your child.

In order to maintain a safe and secure experience, First Church Preschool reserves the right to refuse to release a child to an adult’s care if that adult appears any way impaired or unable to provide safe transit.

Late Pick Up Policy

Two staff members, age 18 years or older, will remain at the preschool with a child at all times. If a child has not been picked up within 10 minutes of the child's scheduled pick up time, a staff member will attempt to call the child's parents/guardians using the numbers provided. If they cannot be reached, the staff member will attempt to call the emergency and authorized alternate adults provided by the parents/guardians at the time of enrollment. The police will be called after one hour if parents or other adults specified on the First Church Preschool Release Authorization Form cannot be reached. At that time, the child may be released to the police. The non-emergency number for Greenwich Police Department is (203) 622-8000.

PLEASE DRIVE SLOWLY THROUGH THE PARKING LOT AND CHECK CAREFULLY BEFORE PULLING IN OR OUT OF YOUR PARKING SPACE.

If at a prolonged stop, please turn off the engine rather than keeping it running. Handicap parking spaces are only to be used by those drivers who have a valid handicap license.

Texting & Cell Phone Use

Texting and cell phone use while driving in the parking lot is not permitted by law. Should you need to use your cell phone or text option, please pull into a parking space and turn off your car. Please do not use your phone while waiting in the drop-off line.

Supervision of Children Policy

The staff/child ratio is 1 staff for every 4 children under the age of three years old and/or 1 staff for every 10 children over the age of three years old. At no time should the group size exceed 8 children under the age of three years old and/or 20 children over the age of three years old, even if ratios are being observed. Group size shall be observed in the classroom, gym, bathrooms, and outside. Children must be supervised by sight and sound at all times including nap time and during transportation. Staff shall position themselves to see as many children as possible. When there is a mixed age group, the lower required ratio and group size for the age of the youngest child shall prevail.

NO CHILD / CHILDREN SHOULD BE LEFT ALONE FOR ANY PERIOD OF TIME

Field Trips - Staff/child ratios will be maintained while outside of the building. All children must have signed permission slips prior to leaving the building. Staff must bring each child's emergency contact information and the first aid kit on the field trip.

Bathrooms - Staff must supervise children while they are using the bathrooms.

Transportation to/from school - All children will be supervised by sight and sound while getting on and off any mode of transportation.

Nature Classroom/Outdoors - It will be the responsibility of all staff to ensure the safety of children on the Nature Classroom and church campus. Supervision of children will include the following:

- A head count will be taken before leaving the building.
- Children will be escorted by the staff to their designated play areas.

- Staff will encourage and demonstrate proper equipment usage and play.
- Staff will circulate through the play areas, supervising and interacting with the children in a positive manner. Staff will coordinate positions so that all play activities and equipment is supervised. No staff person is allowed to sit or socialize with other staff or other non-staff adults who may be present.
- A head count will be taken before re-entering the building.
- Staff may not leave children unattended or out of state-permitted ratios and group sizes
- Children may not go inside for any reason (including to the bathroom), nor may they go back outside unless accompanied by program staff.
- When there are woodchips as surfacing on the playground, accessible to children under age three years, we shall:
 1. Be sure that all staff are aware that the woodchips pose a choking hazard to children under the age of three.
 2. Have a phone outside at all times in case of emergency.
 3. At least one CPR certified staff member will be on the playground whenever there are children under the age of three using the playground.

Snacks & Lunches

The First Church Preschool provides a daily snack and water to drink. A menu of snacks offered each day at school is posted by each classroom door. Your child's teacher will make you aware of any food allergies in the room, and if you are planning to send in a snack you must be sure that your choice honors any allergies present. You may need to present a list of ingredients for the snack. Please be aware that all snacks must be TREE NUT AND PEANUT FREE. Your child's teacher can present a list of suggested snack foods that would be suitable to the class.

For children who participate in our Lunch and Afters Programs, all lunches or snacks sent from home should also be TREE NUT AND PEANUT FREE. Families are requested to provide healthy choices for lunch and refrain from including candy or sugary treats. We suggest including an ice pack to help keep the food fresh. You may also want to use a thermos container for keeping foods warm. Please be sure to label all containers included in your child's lunch with their name.

Peanut / Tree Nut Free School Policy

Peanut and tree nut allergies are some of the most common food allergies. In fact, according to the Food Allergy Research & Education (FARE) organization, the number of children with peanut allergies in the US more than tripled between 1997 and 2008. For those with sensitivities to these types of foods, peanuts and tree nuts can cause a serious, even potentially fatal allergic reaction called anaphylaxis. Therefore, for the safety of those within our preschool community, we ask that no foods containing peanuts or tree nuts be brought into our preschool for snacks, lunches, or other classroom celebrations involving food.

Below is a link to some information published on the FARE website on how to read food labels and avoid purchasing products that may contain peanuts and tree nuts, as well as other major food allergies: <http://www.foodallergy.org/allergens/peanut-allergy>. We hope this information will assist you with selecting peanut and tree nut free foods that are safe for your child to bring to class. If you have any questions about foods that are acceptable for sending to school, our staff is very happy to assist.

Here are some further points to keep in mind:

- It is best to send in all foods in their original packaging with the labels intact so that staff can refer to the list of ingredients if necessary.
- Food products with labels that indicate the product was manufactured in a facility that also produces products with peanuts/tree nuts are not appropriate to send in, as they may contain trace amounts of the allergens and, therefore, be harmful to those who are sensitive.
- Different countries have different laws concerning packaging labels. Please be aware that foods purchased outside the US may not clearly indicate whether or not they contain allergens.
- There may be folks with food allergies other than peanuts/tree nuts in your child's classroom, therefore, please consult with your child's teacher before sending in any foods that you plan to share with the whole class so you know what would be safe.
- We must be informed if your child has any type of food allergy, and an individualized care plan must be established relevant to your child that outlines an appropriate response should your child become exposed to his/her allergen. Our staff is trained in emergency medication administration (including EpiPen) and first aid response for allergic reactions.
- We teach the children about food allergies, explaining that some foods might make some people sick, and that they should not share their food, nor eat food belonging to another person unless a trusted adult says it is safe to do so.

Birthdays & Celebrations

Invitations to birthday and other parties held outside the classroom may not be distributed within the preschool unless the entire class is invited. If you want to celebrate your child's birthday in school you need to make arrangements with your child's teachers and make sure that if you send in any foods that they are safe choices for the all the children in the class. (Please see above sections on "Snacks" and "Peanut/Tree Nut Free School Policy for more details).

Clothing

At school, children engage in a variety of activities that can be messy, so please dress your child in clothes suitable for both indoor and outdoor play and for getting dirty, particularly on our Nature Classroom. Since we venture outdoors in a variety of weather conditions, you may want to keep a pair of boots or all-weather shoes in the classroom. We find it best to wear sneakers or rubber soled, closed toed shoes for use on the playground, and request that no flip-flops or open back shoes be worn.

Outdoor play is an integral part of our program throughout the year. Classes may spend up to one hour each day on the Nature Classroom. During the winter months, the children should be dressed for cold weather. Please label all hats, sweaters, mittens, boots and jackets with your child's name.

Please bring a complete change of clothes in a large zip-lock bag labeled with your child's name on the first day of preschool. These will be kept at school for use as needed. We ask that you periodically update the items to account for changes in seasons and your child's rapid growth during the year.

Toys from Home

Toys from home should not be brought into the classrooms without first discussing with the teacher.

Classroom Pet Policy

Some of our classrooms adopt class pets for the enjoyment and education of the children. We make efforts to ensure that the pet is healthy. The pet will be kept in an environment that will be cleaned at least weekly by a staff member. Any litter or debris used or left by the pet will be discarded directly to the outside garbage receptacle. A staff member will supervise children when feeding and providing water and/or other necessities for the pet. Anyone who handles the pet will be required to wash his or her hands before and after the handling. A pet care plan will be posted near each pet in the classroom outlining the proper care for the pet. Dogs and other personal pets are not allowed inside the school premises unless prior arrangements have been made with a teacher and/or director.

Emergency Plans

MEDICAL: In case of a medical emergency, a qualified staff member will attend to first aid as needed. Another staff member will notify the family of the child. Attempts will be made to consult with the child's physician/dentist. If neither is available, the program's medical consultants will be contacted. For extreme emergencies, 911 will be called. An ambulance will take the child and a staff member to the nearest hospital. The child's emergency permission form will be brought with them. A staff member will notify the family or alternate pick-up person to meet the child at the emergency room. Additional staff will be called in if necessary to maintain required ratios.

In the event a child becomes ill while at the Center, parents will be notified and the child will be moved to a designated area, usually the director's office, where the child will be made comfortable. A staff person will remain with the child at all times.

FIRE: In the event of a fire, evacuation from the building will be through the closest fire exit. Staff will be responsible for supervising the children under their care and leading them to the fire exit. Immediately, the group will walk to either the cemetery area or front lawn (Sound Beach and Forest Avenues) area, depending on which side of the building presents the nearest safe egress, until safely away from the building, and line up to take a name-to-face attendance. Teachers will be responsible for taking the sign-in and out sheets, portable first aid kit, cell phone and/or walkie talkie, and emergency files with them. The director, administrative assistant, or other person in charge will conduct an inventory of the evacuation to ensure that all children are present and accounted for once outside, and again if allowed to re-enter the building. Should it not be possible to return to the building, staff will walk the children to the Perot Library. Parents will be notified.

WEATHER: Sometimes, severe or hazardous weather or other emergency situations arise that affect our typical daily schedule. We try our best to make determinations about any changes to our regular schedule by 6 AM. We send out emails to alert our families of any changes to our schedule as close to that time as possible. You may also check www.connecticut.news12.com on the Internet, or tune into channel 12 on the television, where you can find school closing, delayed opening, or early dismissal announcements for our programs. In the event that we must institute a delayed opening, all morning classes will start at 10:00 AM. In the event of an early dismissal, children should be picked up as soon as possible after the early release is

announced, ideally within 30 minutes from the time you are notified of the early dismissal. You may need to enlist someone you have authorized to pick up your child if you cannot get to the school within a 30-minute time frame. Ratios will be maintained at all times and two staff 18 years or older will remain on the premises with the children until all are picked up

The following is a list of resources you might refer to for more information during an emergency or hazardous weather situation:

Television stations: Channel 12

Websites: First Church Preschool: www.firstchurchpreschool.org
Greenwich Public Schools website- www.greenwichschools.org
News 12 Connecticut: www.connecticut.news12.com

In the event of other serious weather emergencies, such as tornadoes or hurricanes, staff and children will remain indoors away from windows and doors. First aid staff will be on hand to administer first aid, as needed, until emergency personnel can arrive. Parents will be notified after the immediate danger has passed.

EVACUATION: In the event that the facility must be evacuated, the children will be walked to the Perot Library, and families will be notified if this occurs. Advanced contact has been made with the town's Civil Preparedness Unit, adding the Center to their list for emergencies. During the school year the staff and children practice a safe and orderly evacuation from the building in the event of a fire or other building issue. This is done in a calm, non-threatening, matter-of-fact way so as not to alarm the children. Children exit the building with their teachers and remain on church property while performing practice drills.

Illness Policy

Children inevitably catch colds and infections when they first have group experiences. In order to keep these infections to a minimum, we ask that you cooperate with our policies on illness. Please do not send your child to school if he/she:

- Has or had a temperature of 100 degrees or more within 24 hours of class time.
- Has vomited or has had diarrhea within 24 hours of class time.
- Has a contagious disease.
- Has an obvious sign of a cold: sneezing and coughing, with a green discharge coming from the nose, or discharge from the eyes/ears.
- Is not feeling well enough to fully participate in the program, which includes outdoor play.
- Has not been on their prescribed antibiotic for within at least 24 hours of class time.
- Has a rash or skin irritation that has a discharge or is bleeding.

Head Lice: Children who are at school and found to have live head lice and/or more than 4 nits will be sent home to help curtail the spread, and they must be treated for lice before re-entering school. Children who have been found to have lice must report directly to the school office to be screened before going to their classroom. Children will be allowed to attend school when there are no more than 4 nits present, and no live lice, for no more than 3 consecutive days, by which time they must have received treatment for lice before they may continue to attend. For each of the 3 days, they must stop in the office for screening before going to class. Children who are found to still have lice one week after having been first discovered to have them will not be permitted to return to school until they are completely free of all nits and live lice.

Chicken Pox: Children who are diagnosed with Chicken Pox must be excluded from school until all blisters have scabs (usually 6 – 8 days), have no fever or other symptoms, and feel well enough to participate in physical activities, including outdoor activities.

Conjunctivitis (Pink Eye): A child who develops pink eye must be on medication for 24 hours before returning to school.

Fifth's Disease: A child with Fifth's Disease is most contagious before the rash appears — either during the incubation period (the time between infection and the onset of symptoms) or when experiencing only mild respiratory symptom, thus, in order to help curtail the spread, children should not attend school during this period.

Cocciackie: Children who have been diagnosed with Cocksackie may be excluded from attending school until a note from a physician which states that the child is well enough to return is supplied.

Strep: Children who have been diagnosed with strep must be excluded from school until after at least 24 hours from the time they received a first dose of antibiotic (not just the next day), and they also feel well enough to participate in the physical activity, including outdoor activity, typically engaged in at school.

If your child is diagnosed by a physician with any of the above conditions or some other significant medical condition, please notify the preschool office as soon as possible.

Administration of Medications/First Aid/CPR

Members of our staff participate in state approved first aid and CPR trainings so that they may respond appropriately to a variety of emergency situations that may arise with children during school hours. In the case of a serious medical emergency, the office will call 911 first, and then contact the parents of the child involved. In case of a lesser medical problem, attempts will be made to contact the parents first, and then those listed by parents on their Authorization Form.

Members of our staff also attend state approved trainings to learn to administer medications for children who require them due to chronic health conditions, such as allergies, asthma, and diabetes. These types of medications must be approved by a physician for use and, therefore, require a prescription. Individualized health care plans will be established for children who may need to have medication administered during school hours because of medical conditions like these. All individualized health care plans must specify the type of medication, the right dose, route, and time for giving a child the medicine, and correspond to the instructions given by a physician via a written prescription.

Children who require medication prescribed by a physician as treatment for temporary illnesses often can have the administration of those medications timed in such a way that they can be given by family members at home and need not be given by teachers during school hours. If, however, a need arises that a child needs a dose of medication during school hours for a condition that is not already approved on an individualized health care plan for that child, then parents or guardians of the child must give full written consent to staff members to administer that medication or be present themselves to give the medication at school. Our staff does not give over-the-counter medication to children unless it has been prescribed by the child's doctor. First Church Preschool will not administer the first nor the second dose of any medication, either prescribed or over-the-counter, including sunscreen, in case a child develops an adverse reaction with initial contact with the unfamiliar substance.

Please apply sunscreen at home before coming to school. Our staff members do not routinely apply sunscreen; only per doctor's orders and with written authorization from parents.

All medications kept onsite must be in their original containers and with the prescription label and/or administration instructions intact. Our staff will not administer medication that is beyond its expiration date. We do our best to notify you if medication kept onsite for your child is about to expire.

ADMINISTRATION OF MEDICATION POLICY

The center will only administer emergency medications which include prescribed inhalers and pre-measured commercially prepared injectable medication (i.e. Epi-pens, Auvi-Q, etc.), nonprescription topical medication and EMERGENCY oral medications (i.e. Benadryl). The parental responsibilities include providing the center the proper medication authorization form, and the medication. The medication administration form must be signed by the authorized prescriber and parent/guardian giving the center authorization to administer the medication. This form is available at the center.

The medication authorization form must include information, such as:

- The child's name, address, and birthdate
- The date the medication order was written
- Medication name, dose and method of administration
- Time to be administered and dates to start and end the medication
- Relevant side effects and prescribers plan for management should they occur
- Notation whether the medication is a controlled drug
- Listing of allergies, if any and reactions or negative interactions with foods or drugs
- Specific instructions from prescriber how medication is to be given
- Name, address, telephone number and signature of authorized prescriber ordering the drug
- Name, address, telephone number, signature and relationship to the child of the parents giving permission for the administration of the drug by a staff member.

Please note that there are many variations of the medication administration form that medical providers have access to. It is the parent's responsibility to ensure the medication administration form clearly states that it is for licensed child care centers. Please understand that your child may not be able to attend if he/she does not have the proper authorization.

All medications must be in their original child resistant safety container and clearly labeled with child's name, name of prescription, date of prescription, and directions for use. Except for nonprescription medications, pre-measured commercially prepared injectable medications (i.e. Epi-pens), glucagon and asthma inhalant medications, all medications will be stored in a locked container and, if directed by a manufacturer, refrigerated. Controlled medications will be stored in accordance with 21a-262-10 of the RCSA. Non-prescription topical medications will be stored away from food and inaccessible to children.

Staff responsibilities include, but are not limited to, ensuring the medication administration form is complete and that the medication being received matches the medication orders and stored as directed.

The center staff will keep accurate documentation of all medications administered. Included, but not limited in the documentation are:

- Name, address and DOB of the child
- Name of the medication and dosage
- Pharmacy name and prescription number
- Name of authorized prescriber
- The date & time the medication was administered
- The dose that was administered
- The level of cooperation of the child
- Any medications errors
- Food and medication allergies
- Signature of the staff administering
- Any comments

Parents will be notified by (means of communication) when/if a child has been administered any prescription medication. Staff are trained in the administration of medication by a physician, physician assistant, APRN, or RN and renewed every three years. Training for pre-measured commercially prepared injectable medications is renewed each year. At no time is an untrained staff allowed to administer prescription medications.

All unused or expired medication shall be returned to the parent/ guardian or disposed of if it is not picked up within one week following the termination or the order, in the presence of at least one witness. The center shall keep a written record of the medications destroyed, which shall be signed by both parties.

Health Forms

The State of Connecticut requires that the preschool maintain accurate early childhood health assessment records for each child. This includes having a current (within 1 year) health exam and list of current immunizations submitted by August 1st for participation in programming for the following September. Should your child's health form expire during the school year, it is your responsibility to make sure that a new health form is submitted to the preschool office. We will notify you if your child's health assessment is about to expire. No child will be admitted to class without completed and up-to-date health assessment forms.

Discipline Policy

The goal of discipline is to help a child develop self-control and move toward appropriate social behavior.

Our staff uses positive discipline techniques with the children. This includes positive guidance, praise and encouragement, redirecting the child, setting clear limits from the beginning of the relationship with the child, and continuous supervision of the children.

Our staff is specifically prohibited from using abusive, humiliating, neglectful, corporal, or frightening punishment. They may not hit, embarrass, or scare a child. They may not deny the child snack or recess time as a punishment.

When a child misbehaves, a staff member may remove the child from the group as long as the child remains under constant supervision. The child must be given the opportunity to return to the group when he or she has calmed down or is ready to participate appropriately in the class activity. A child may only be restrained if it is necessary to protect the health and safety of the child him or herself, or another person.

Follow-up to any disciplinary incident should include talking to the child, the director, and appropriate members of the families of the children involved in an effort to prevent such an incident from occurring again.

We welcome a healthy exchange of information regarding limits and discipline routines and would gladly discuss our policies and practices with any interested families and caregivers.

Dismissal from Program

First Church Preschool reserves the right to dismiss a child at any time the Preschool deems necessary. Reasons include, but are not limited to, the following: excessive disruptive behavior by the child or parent, excessive and continuing physical aggression toward other children, adults or property, failure to pay tuition on time, excessive lateness in picking up the child, failure to submit necessary school forms, or any other conduct determined by the preschool to be inappropriate or endangering.

That being said, however, we make every effort to avoid resorting to a child's dismissal from the program. In order to do so, we utilize the following system for children who present challenging behaviors at school:

1st occurrence: appropriate family members will be made aware by staff concerning the issues surrounding the incident and staff will investigate factors that may possibly be affecting the situation. Staff will document reporting the issues to the family members as well as all findings regarding the potential contributing factors to the situation. Based on any findings, the staff will make any accommodations deemed necessary and appropriate to alleviate the situation, and will communicate those accommodations to the family members.

2nd occurrence: appropriate family members will be made aware of the persistence of the situation at hand. A meeting will be called at a mutually convenient time for the director and appropriate staff and family members to collaborate in establishing a plan for addressing the problem. At this meeting, all parties involved will determine goals for rectifying the situation, specific strategies to be taken to address the problem, specific modes for communicating the progress being made within the process, and a timeline for achieving desired results and goals. This meeting must be held within one week of the documenting and sharing of the second occurrence with the family members. If the meeting does not take place, the child will not be permitted to attend school unless and until it does.

3rd occurrence: if the problem still persists after attempting to put the plan for addressing the situation into place, then the child's enrollment may be suspended and subject to possible dismissal. Family members will be notified in writing if their child's enrollment is suspended. The period of suspension will be determined by the director and shall not exceed three weeks in length. During the suspension, the child will not be permitted to attend school. If, during the period of suspension, family members of the child can produce evidence of resolving the problem situation, then the child may resume attending. If no satisfactory resolve has come about during the suspension, however, the child may be dismissed from school. Family members will be notified in writing if their child has been dismissed.

If it is determined that a child must be dismissed from our program, we will attempt to assist a family in finding a program that may be more suitable for the child's and family's needs.

Parents or guardians have a right to appeal the Preschool's decision to dismiss a child from the school. They may initiate an appeal by contacting the Preschool Board Chairperson, whose contact information is posted on a bulletin board in the main hallway of the preschool and in this handbook.

Abuse and Neglect Policy

All of our staff have a responsibility to prevent child abuse and neglect of any children involved in our center.

1. Definition:

Child Abuse includes:

- Any non-accidental physical or mental injury (i.e. shaking, beating, burning)
- Any form of sexual abuse (i.e. sexual exploitation)
- Neglect of a child (i.e. failure to provide food, clothing, shelter, education, mental care, appropriate supervision)
- Emotional abuse (i.e. excessive belittling, berating, or teasing which impairs the child's psychological growth)
- At risk behavior (i.e. placing a child in a situation which might endanger him by abuse or neglect)

Child Abuse is defined as:

A child who had had

- Non-accidental physical injuries inflicted upon him
- Injuries which are at variance with the history given of them
- Is in a condition, which is the result of maltreatment, such as, but not limited to, malnutrition, sexual exploitation, and deprivation of necessities, emotional maltreatment or cruel punishment.

Child Neglect is defined as:

A child who had been:

- Abandoned
- Denied proper care and attention physically, educationally, emotionally, or morally
- Allowed to live under circumstances, conditions, or associations injurious to his well-being (CT statutes 46b-120)

2. Staff responsibilities:

As adults who work with young children, we are mandated by law to report **any suspicion** that a child is being abused, neglected, or at risk.

3. Specifics on reporting a suspected case of abuse or neglect

- Call the Department of Children and Families DCF (open 24 hours a day) at 1-800-842-2288
- The reporter's name is required, but may be kept confidential

Information needed:

- Name of child / date of birth
- Address of child
- Phone number of child
- Name of parents or guardians
- Address of parents or guardians
- Phone number of parents or guardians
- Relevant information, such as: physical or behavioral indicators, nature and extent of injury, maltreatment, or neglect
- Exact description of what the reporter has observed
- Time and date of incident
- Information about previous injuries, if any

- Circumstances under which reporter learned of abuse
- Name of any person suspected of causing injury
- Any information reporter believes would be helpful
- Any action taken to help or treat the child
- Seek medical attention for the child - if needed

Mandated reporters must report orally to DCF or a law enforcement agency within 12 hours of suspecting that a child has been abused or neglected. Within 48 hours of making the report, the mandated reporter must submit a written report (DCF - 136) to DCF.

Staff members are protected by law from discrimination or retaliation for reporting suspected abuse or neglect (CT General Statutes, Section 17a-101e).

All phone calls to DCF shall be documented and kept on file at the preschool. A copy of all statements from staff and the DCF-136 shall also be kept on file.

4. The First Congregational Church of Greenwich (FCCOG) and the Preschool Board that manages the First Church Preschool program support a zero tolerance for abuse or neglect and will implement immediate action should there be an allegation that a staff member abused or neglected a child.

The administration will protect the child, including immediate notification of a parent or guardian, once there is an allegation of abuse or neglect of a child in our program.

Any staff member accused of abuse or neglect may be immediately removed from his or her position until DCF's investigation is completed. Based on whether the allegations were substantiated or not, the employee would either be dismissed from his/her position or allowed to return to work.

5. Staff Training:

Staff will be required to complete DCF's online Mandated Reporter Training at the time of hire and prior to starting their work with the children. Staff will also receive a copy of this policy and will be required to attend bi-annual staff meetings - one at the start of the school year in August or September, and one at the start of the summer program in June - which include reviewing the steps for reporting suspected abuse and neglect and the role of a mandated reporter.

6. Provisions for informing families of abuse and neglect policy:

A copy of this policy will be included in our Family Handbook, and each family will be given a copy upon the start of the school year, or at the time of enrollment. A copy of this policy will also be posted on the informational bulletin board in the hallway of the preschool.

When an accusation of abuse or neglect by a staff member is made, the director must immediately inform the parents or guardians that a report has been made to DCF. Health care officials may need to talk to a child's parents to assess the cause of the child's injuries and offer support and guidance.

Grievance Procedure

Concerns regarding your child's experience at the First Church Preschool should first be discussed with the classroom teachers and then the preschool director. If the matter has not been resolved to your satisfaction, you may contact (in this order) the Preschool Board Chairperson, the Associate Pastor, the Greenwich Department of Health, or the Connecticut Department of Public Health. The grievance procedure, along with the names and phone numbers of those to contact, are posted in the preschool hallway on the bulletin board just inside the main preschool entrance.

Diagnostic Services

In the event that our teachers believe that an outside expert can provide useful information regarding practices or strategies to assist a child, we reserve the right to ask for permission to contact outside resources. No outside program or individual will be contacted without parental permission.

The Greenwich Public Preschool Program provides speech and language evaluation and/or development assessment of children attending First Church Preschool. The assessment may be followed up with regular speech and language therapy, if deemed appropriate. These services are offered free of charge through the public schools and may be obtained by speaking with your child's classroom teacher and/or the director.

Plan For Consultation

First Church Preschool has contracted with an early childhood educational consultant, a licensed nurse, a licensed social service consultant, and a licensed dentist in order that they may advise and support our program, staff, and families. Each consultant shall be available for making reviews of pertinent policies and in-service education programs, providing advice regarding relevant problems, and visiting the facilities, staff, and families to consult either individually or as a program seminar. Our consultants are not actual members of our staff, but provide services to our program to help enhance our overall quality.

List of our Consultants:

1. Educational Consultant: Cindy Rzasa-Bess, PhD
203-852-0844
cindy@thebesschoice.com
www.thebesschoice.com
2. Nurse Consultant: Dana Murray, R.N.
(203) 493-6332
dana@nursesfordaycare.com
3. Social Service Consultant: Susan O'Brien, LCSW
203-226-2516
sobriensearch@cs.com
4. Dental Consultant: Schinto Dental
John J. Schinto, III, DDS LLC
2001 West Main Street Suite 110
Stamford, CT 06902
203-978-1184
schintodental@optonline.net
www.SchintoDental.com

Dual Residence Families

For those children whose parents or guardians reside at separate addresses, First Church Preschool presumes that both parents (and guardians) share joint legal and physical custody of their child. As such, we will not prohibit either parent from picking up their child from preschool unless a court order is issued directing us to do otherwise. If a court order comes into play, all appropriate paperwork must be presented to and discussed with the director as soon as it is determined. Please keep the office staff and director aware of any changes that we will need to know and follow.

Photographs / Internet – Social Media

Teachers often take photographs of children for use in the classroom for pedagogical purposes. If you prefer not to have photos taken of your child for these purposes, you will be able to indicate so on a permission form.

Sometimes we take photographs of the children that we feel might lend themselves for advertisement and/or promotional and informational purposes for our program. If we would like to use a photograph that includes your child in it, we will first ask for your written permission before posting or publishing it.

The posting of photos of children, their families, or staff members of the First Church Preschool to any website or social media website without the written permission of all those represented within the photos is expressly forbidden. Comments on discussion threads posted on social media websites may not disclose information of a confidential nature, nor may they make disparaging remarks against any child, family, or staff member in First Church Preschool.

PARENT INVOLVEMENT

Families are encouraged to be engaged in the classroom and school wide activities in a variety of ways. If you have a talent or interest that you would like to share, please contact your child's classroom teachers or the director. There are additional opportunities to volunteer through the Parent Committee.

The Parent Committee is a group of family volunteers who work together to enrich the experience of First Church Preschool children and their families. The committee provides social events throughout the year such as Harvest Fest and Family DJ Night. In addition, they provide supplemental educational programs and raise funds for school equipment. The Parent Committee also supports the teachers through establishing class parents and organizing teacher appreciation events throughout the school year. The Parent Committee welcomes all parents and their involvement in making First Church Preschool the best place possible for our children!
